Dear Band or Orchestra Parent:

The North East School district charges an instrument use and maintenance fee to those students who use instruments furnished by the school district. This nominal fee (\$30.00 per year) is necessary to generate additional revenue to maintain our school instrument inventory. This revenue will be placed in the district's instrument repair budget and be used to help offset repair expenses incurred by **normal wear and tear**. It is not designed to cover repair costs from damage (i.e., dents, broken parts) or the replacement cost for loss of an instrument due to theft, misplacement, etc. Such costs are the responsibility of the student who is using the instrument. You may choose to pay the entire fee at the start of the school year or in installments (\$15.00 at the beginning of the first semester & \$15.00 at the beginning of the second semester). Please make your check/money order payable to NEISD.

Thank you for your continued support of our fine arts programs.

Sincerely,

Philip Flynn
