I am interested in volunteering in the following activities:

_____ **Concert support** - A great deal of effort is required in order to make our concerts go smoothly. Volunteer positions on concert day include supervising students prior to the program, serving as door ushers, setting up the reception area, serving the reception, and clean up after.

_____ **Photography** - We encourage parents to take pictures during our events so that we may include them in newsletters, newspaper articles, and future events. Please consider sharing your photos with the ROBC so that we may include them in our newsletter, website, or end of the year slideshow.

_____ **Chaperones** - Accompanying students to various orchestra events.

_____ **Uniforms** - Fitting, distribution and collection on scheduled days

_____ **Events Support** - This team provides hospitality for Reagan Orchestra hosted events such as the Region 12 Clinic and Concert, UIL clinics/competition, or any other event hosted on campus by the orchestra.

_____ **Spring Banquet** - Assist the ROBC Banquet Chair by volunteering to help with set-up and logistics of our May banquet.

_____ **Fundraising Committee** - This essential group of volunteers assists the ROBC Vice President to generate income for the general ROBC account and for student orchestra spending accounts.

_____ **Fundraising Dinner and Silent Auction Planning** - This committee focuses specifically on our main fundraiser for the year, which occurs in May.

_____ **Corporate Sponsorship** - This committee works to identify local corporations and businesses and to request donations of them.

The above information will be used exclusively for Orchestra and Booster Club purposes. A more extensive list of volunteer opportunities is available from the Reagan Orchestra Booster Club and Mr. Elizondo. Please return this completed form to the Orchestra Department.
