

2016 Reagan Orchestra Graduate receives TODA scholarship

2016 Reagan Orchestra Graduate, Lana St. Clair, was awarded the Barbara Eads Memorial Scholarship on Monday, June 6th, 2016. This year the Texas Orchestra Director's Association awarded two scholarships incoming college freshmen wishing to pursue a degree in music education. Lana will be attending Baylor University in the fall, where she will major Music Education. Her major includes a concentration in violin, which she will study under Professor Dr. Eka Gogichashvili. She was inspired to pursue a music education career, in large part, by her elementary music teacher Heather Elizondo, and high school orchestra director Sixto Elizondo IV, both of whom have supported her in her musical endeavors for many years. This summer, Lana will further her experience in the music field by attending Eastern Music Festival in Greensboro, North Carolina.
